OLC RECORD COPY

Office of Legislative Counsel

OLC # 78-2481/B

2 August 1978

Mr. G. Robert Blakey  
Chief Counsel & Director  
Select Committee on Assassinations  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Blakey:

Reference is made to your letter of 6 July, and the request in paragraph 12 for "a list of all [redacted] series project files..." The series requested encompasses nearly 200 projects, with an unknown number of file folders. It is estimated that it would require six persons a minimum of one week just to inventory the files. In any event, the subject matter of the various files would involve a range of operational activity and interest outside the charter of your Committee.

25X1

Because of the magnitude of the work required to even compile a list, it is suggested that your investigators refine their request by indicating particular interests that should be covered.

25X1

Very truly yours,

[redacted]  
S.D. Breckinridge  
Principal Coordinator, HSCA
